Pays Out (67%).....\$100

Ideal Profit (33%).....\$50

WIN RATIO 1 IN 150

In event of multiple winners - split the pot.

Game Directions:

Determine game pattern, sell deal, and call balls from the bingo machine or play during the designated game. The first player to dab all numbers for the designated game pattern, wins.

Pattern Suggestions:

Any line, Any 2 Lines, 4 Corners, Letter X, Coverall, etc.

Multi-Perm Instructions:

This is a multi-perm game. Operators may choose to play a single color option (deal), or combine up to seven different color options (deals) for more tickets and larger payouts.
